Dear Sir:

In response to the election/restriction requirement set forth in the Office Action mailed May 7, 2004 (Paper No./Mail Date 050504), applicant hereby provisionally elects the species covered by claims 1-23 for continued examination, with traverse.

The Examiner has required an election between two species of the claimed invention: species I (drawn to FIGS. 2 & 3) and species II (drawn to FIG. 4). Accordingly, applicant provisionally elects species II, and identifies claims 1-23 as being readable upon the elected species. Applicant also identifies claim 1 as being generic to all species of the invention.

Applicant's election is made without prejudice. An action on the merits of the elected claims is respectfully requested.
